## Real Brewed for Real Sales

Mangajo real brewed iced green tea drinks are made using fresh, natural ingredients long known for promoting well-being. Based on traditional, health promoting Japanese ice tea drinks, we source nature's 'miracle' ingredients including Chunmee green tea, Brazilian açai-berry and South African Rooibos to make refreshing and healthier alternatives. All natural and with no added sugar, we use Chunmee tea leaves to make our iced tea so it's high antioxidant as well as being delicious and low in calories.

Iced green tea is a perfect match with sushi and noodles which is now gaining great popularity among young, health conscious, on the go city workers who like a speedy but delicious and healthy lunch.
